EXPERIENCE

Frontend Web Developer — Future Sharks | Austin, TX

APRIL 2021 - PRESENT

Redesigned network of 6 sites according to technical & UX specifications. Improved responsive design using HTML, CSS and Javascript. **Helped grow the sites from 50k to 400k visitors per month.**

CEO + Founder — TotalGirlBoss | San Francisco, CA

MAY 2020 - PRESENT

Built Total GirlBoss to empower female and LGBTQ+ entrepreneurs to dream big and achieve their goals. We help them grow their business by reaching our **90k readers**, and improving their rank on Google with SEO. Built with WordPress.

SEO Growth Marketing Manager — Digital Revamp | Washington, D.C.

AUGUST 2020 - FEBRUARY 2021

Managed a team of 2 content managers to publish social media posts and video scripts, create executive presentations, and strategy decks with a quick turnover for our agency clients.

EDUCATION

San Francisco State University, San Francisco — Left B.A. in Asian American Studies

AUGUST 2017 - DECEMBER 2020

While attending San Francisco State University I earned 64 units. I then went on to start my business Total GirlBoss.

SheCodes Coding Workshop — Online Bootcamp

AUGUST 2021 - FEBRUARY 2022

Completed 180 hours of lessons on HTML, CSS, React, Bootstrap, Javascript, and Git. Since then I have built multiple projects that are featured on [my website](#).
